## About this Exhibit

There is something about Fiel's artwork that is timeless and moving. The colors, textures, and layering draw me in and leave me wanting to see more. I couldn't be more thrilled to have her exhibit here at The Gallery @ Common Grounds.

Fiel will be in The Gallery on Sunday, October 16 from 8:00 AM —1:00 PM. Please stop by before or after the services to meet her and see her work. She's full of energy and inspires me in many ways.

Grace & peace,

*deAnn Roe*

# Artist Statement

## Artist Statement

“A disquisition on our shared narratives which delves into the connectedness of the real and the abstract by creating a conversation between color and texture.”

My work consists of abstract and experimental (mixed media) art using waterbased mediums like acrylics (paints and gel mediums), inks (acrylic, drawing, india, walnut, and Sumi), watercolors (including gouache), and *Caran d'Ache*. In the past, I used watercolor pencils, pastels, charcoal, graphite, ebony, and oil. I integrate collage, linocuts, woodcuts, and printmaking in my work as well.
